

Remarks

After the above amendments, claims 3, 4, 7 and 8 remain in the application. All of these claims are now in independent form and contain the subject matter of the claims from which they previously depended. The examiner had indicated that these claims should be allowable if rewritten in independent form to contain all of the limitations in the claims from which they previously depended. In addition, the 112 rejections of the previous claims which the examiner had pointed out in the revised claims. Changes to the drawings as requested by the examiner have been made. In view of the above, it is believed that the application is now in condition for allowance and a notice to that effect is earnestly solicited.

Conclusion

Enclosed is a check in the amount of \$1,180.00 for Response within the Fifth month and the addition of one independent claim . If, however, the Commissioner determines that an additional fee is due, he is authorized to charge Deposit Account No. 19-1345.
